

HTE 1.3 TH (STE)

HOT AIR HAND DRYERS

PRODUCT-NO.: 205885

Dry your hands comfortably and economically

Long-lasting operation is ensured thanks to the durable stainless steel casing, which at the same time features an elegant design.

Fully functional for comfort Since hygiene plays an important role in sanitary facilities, we have equipped this hand dryer with an infrared sensor. This switches the appliance on without the need to touch it. Users simply have to hold their hands directly below the air outlet. This also makes operation extremely economical.

Don't put up with noise. The appliance dries hands quietly, so it is ideal for areas where loud noise would be a nuisance.

The main features

Maintenance-free, reliable operation

Durable stainless steel casing

Very hygienic due to contactless operation

Quiet operation

Low operating costs

Type	HTE 1.3 TH (STE)
Part no.	205885

Technical data

Power supply	1/N/PE ~ 220-240 V
Rated voltage	220-240 V
Frequency	50-60 Hz
Rated current	5.4 A
Rated output	1300 W
Weight	2.90 kg
Colour	Stainless steel

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
