

## HTE 1.3 TH (STE)

HOT AIR HAND DRYERS PRODUCT-NO.: 205885

Dry your hands comfortably and economically

Long-lasting operation is ensured thanks to the durable stainless steel casing, which at the same time features an elegant design.

Fully functional for comfort Since hygiene plays an important role in sanitary facilities, we have equipped this hand dryer with an infrared sensor. This switches the appliance on without the need to touch it. Users simply have to hold their hands directly below the air outlet. This also makes operation extremely economical.

Don't put up with noise. The appliance dries hands quietly, so it is ideal for areas where loud noise would be a nuisance.
