

STIEBEL FACE (STE)

DOMESTIC USE

PRODUCT-NO.: 205226

The Stiebel Face is one of the only skin care water filter in the market that can be used in every wash basin to deliver cleaner and safer drinking water with reduced odours and contaminants. It reduces allergies caused by chlorine and its harmful compounds for healthier skin and mouth. As one of the safest commercial water filters on the market, it also comes with the Sanitary Quick Change filter cartridge for quick and hygienic cartridge replacement. The Stiebel Face Pre-filter can be used for domestic applications with no storage tank, water wastage nor electricity. It fits under a standard bathroom sink or can be wall mounted.

The main features

Improves water quality by removing contaminants

Improves water taste and odour by reducing chlorine, heavy metals and bacteria

Indirectly improves the water flow as less clogging occurs, therefore less maintenance is needed for sanitary fittings.

Antibacterial silver ions provide double protection of the water filter

Suitable for use with various water sources
